F090 INFINITE SOLUTIONS

Modern office environment, not only to meet its use function, and more to reflect the visual appearance, it is because people are healthy and comfortable office, working environment, more and more desire, and the corporate desire for the satisfaction of such a direct impact on employees cohesion of the enterprise and thus affect the competitiveness of enterprises.

现代办公环境不仅要满足它的使用功能，更加要体现视觉上的美观，那是因为人们对健康而舒适的办公、工作环境越来越渴求，而企业对这种渴求的满足程度直接影响员工对企业的凝聚力并进而影响企业的竞争力。

Modern Office Environment

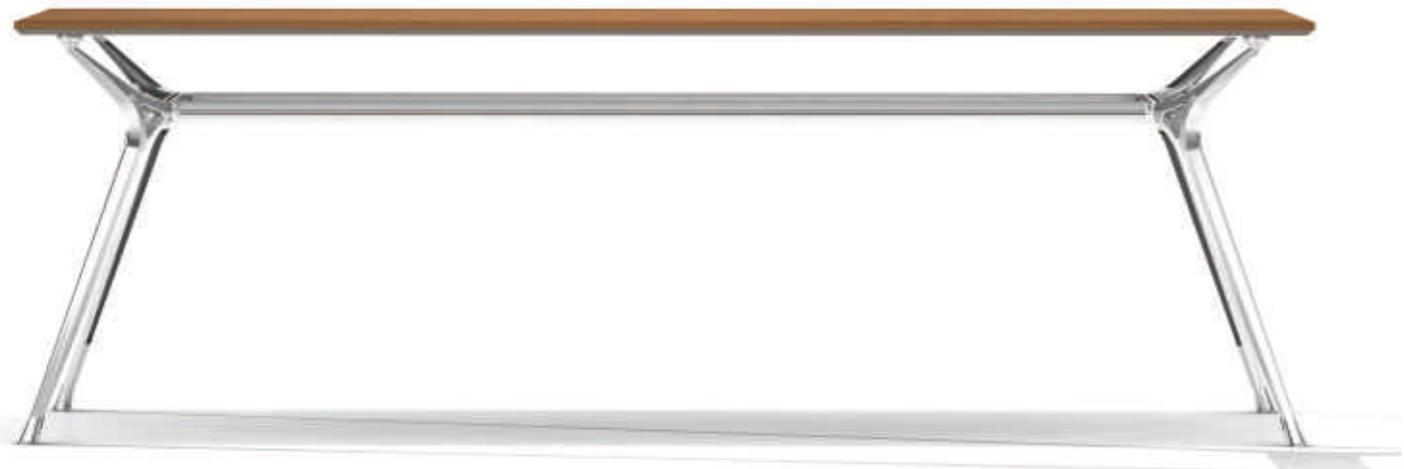

Modern office environment, not only to meet its use function, and more to reflect the visual appearance, it is because people are healthy and comfortable office, working environment, more and more desire, and the corporate desire for the satisfaction of such a direct impact on employees cohesion of the enterprise and thus affect the competitiveness of enterprises.

Modern office environment, not only to meet its use function, and more to reflect the visual appearance, it is because people are healthy and comfortable office, working environment, more and more desire, and the corporate desire for the satisfaction of such a direct impact on employees cohesion

F090 manufacturing impact perspective, precision casting and other unique structure makes F090 become be worthy of the name of the modern type of table group system, according to the different environmental conditions, working mode, can choose the combination mode suitable for their own. Retains open active atmosphere, and also successfully focus in front, look to target.

F090为视野制造冲击效果,精密压铸工艺及造型独特的结构使F090成为名副其实的现代板式桌组系统,根据不同环境条件、工作方式、可以选择适合自己的组合方式。既保留着开放活跃的氛围,又成功地将视线集中在前方,目光直抵目标。
